Professionalism?? Need We Say More!

Professionalism was an essential element in our everyday life at L.H.S. Whether singing the school song with true loyalty - conning the teachers into a day-off - or "shooting the bull" in the cafeteria, we WERE Professionals.

'Pros' Have Final Season

Officers for the Class of 76 were secretary- treasurer Larry Pugh, president Ken Williams and vice-president Kelly Mixon.

Being a Pro was worth suffering through a rookie year. Moving into the auditorium center section, being dismissed first and planning for the future was all part of being a senior of 76. Looking toward graduation with mixed emotions, they are happy and yet sad about leaving behind friends and lots of memories.

Roundballers Lack Experience

The 1975-76 Levelland Lobo Basketball team opened their season November 21 with a disappointing lose to the 4-AAAA Plainview Bulldogs 99-62. Playing powerhouses such as Lubbock High, Midland High, Amarillo High and Morton the Lobos went on to post a 6-16 non district record.

The Lobos opened district play on the right foot by defeating the Dumas Demons 70-37 and the Muleshoe Mules 63-34 on the Lobos home court. Next the Lobos traveled to Perryton where the Lobos lost their first district game of the year 72-56. The Lobos then journeyed to Canyon where the Lobos lost a close game to the Eagles 62-54. With their district record at 2-2 the Lobos opened the second half of district in Muleshoe where they easily handled the Mules. The Lobos lost all hope of a district crown with losses to Dumas and Canyon.

Lorenzo ''Pappy'' Childers was the only All-District performer with Lewis Palmer and Russ Phillips receiving honorable mention All-District.

Vault to Regional

The track team had three captains for the '75-'76 school year, they were Lorenzo Childers, Kenneth Keller, and Jerry Kirkland. The Lobos started the year with tough competition at a meet in Odessa. The Lobos came out 6th out of 10 in the Odessa meet. Then the Lobos traveled to San Angelo to come out 7th with a score of 28 points. There luck turned when the Lobos easily outscored Snyder at the South Plains College invitational track meet. The Lobos won 11 out of 14 events. Then the Lobos went on to win the Estacado Triangular meet, between Abernathy and Lockney by 61 points. The Lobos took third place in district meet with 86 points, where three tracksters got to advance to regional. The three were Mark Patterson in intermediate hurdles and long jump; Kenneth Keller, high hurdles and high jump; and Robert Dunlap in pole vault. This year's coaching staff consisted of Coach Ted Allen, Coach Lester Driver and Coach Larry Anthony.

In Memoriam

Mrs. Dorothy Green was secretary to the assistant principal for 5 years while she lived in Levelland. Mrs. Dorothy Green and her husband Worth, were active in all school sports, especially the track program. It was not uncommon to see the couple supporting the Lobo track team during a West Texas Sandstorm. She will be missed at those events, but not forgotten: a trophy for outstanding track athletes was established this year in her name.

Golf Team "Up to Par"

The year started out slow for the LHS Gold team, but as the season wore on, the team got better. The linksters first tourney was the Lubbock Invitational where they blew a 20-stroke, second-place lead to end up with a third-place finish. Hereford was next on the schedule and again the team lost a first-day fifth-place position to an embarrasing tenth-place finish. Traveling next to Muleshoe the golfers missed second by one stroke, losing to Muleshoe. The Clovis Tourney paid off for the team, which brought home a second-place trophy. The team journeyed next to Denver City, where they missed second by only a few shots.

Then, their season seemed to be reversed; they left their losing ways and started winning. At the Levelland Invitational the golfers won first, and at the District Tourney they came from an underdog position to grab second, beating runner-up favorite Perryton by 12 strokes.

With one victory and two second place finishes, the team traveled to the regional tournament in Andrews for the third straight year. But the

TOP: Coach Huffman shows the team - How it's done.

competition seemed too tough and the golfers couldn't get anything going; so they had to take a fourth place finish.

This ended another year of success and disappointment for Coach Colie Huffman and his golfers, who are hoping "maybe next year" for a spot in the state tourney.

Rookies Report to LHS

Officers for the 75-76 Sophomore class were Secretary, Romana Hernandez, president, Brian French. Not pictured is vice-president Chris Dunnn.

The "Rookies" arrived at high school excited and just a little scared. But with the help of the upperclassmen they soon became acquainted with the high school routine. Meeting new people, more privileges, a few harder classes, and being "Rookies" were all part of the Sophomore's first year in high school.

SC "Dances" Through Year

The Student Council for '75-'76 (alias Plan-A-Dance) held various activities throughout the year. Officers were Jerold Villanueve, Sid Hill, and Tonja Currington. Dances and Twirp Week were the main attractions. Bill DeMore, KSEL disc jockey got to be a common sight at LHS on a Friday night. The Council sponsored a Christmas door decoration contest that was a big success. Over the Christmas holidays the parking lot was painted. The Sweetheart Assembly and dance were held on February 13. Twirp Week was from May 3-7. The first day was a people sale as slaves were bought for discount prices. Everyone reverted to their childhood on Tuesday with Kid Day. A magician also performed. Wednesday was the messiest day of them all as supposedly mature young men crammed each others face full of cream pie. May 6, 1976 became May 6, 1956 with 50's Day. The DOC, Junior Chapter DOC, and the Phantoms were all out in full rumbling attire. At the sockhop at lunch a fake rumble occurred, but fortunately no one was hurt. Friday was "Almost Anything Goes" and just about everything did, including the tug-o-war rope. The Sophs won the day's activities and got into the dance free that night.

As the final curtain is drawn, we the staff of the El Lobo would like to thank the Pros, Understudies, Rookies, and Trainers for making our job so INTERESTING . . . we hope you have enjoyed this, the 1976 El Lobo.

We were Pros: all of us - but the pros have now past just as the years have gone on to memories. The Rookies are now Understudies and the Understudies made it to the pros. But the question still remains DO YOU KNOW WHERE YOU'RE GOING . . . ON TO BIGGER AND BETTER THINGS!
